

Support Opportunities

Your funding dollars are used exclusively to support the Bailando International Dance Festival. Funding comes from corporate sponsors, foundations, local and state governments and most importantly, from individuals like you. Every time you support us, we return that support through our dancers, classes, outreach programs and performances. We are committed to providing the highest possible return on your investment through our community events and outreach programs.

Circle of Promise

We invite you to join hands with CC Concert Ballet and the Bailando International Dance Festival and become a partner in dance.
